

Do I know others in the community? Do I feel safe?

FROM LEARNING TO DOING

Understand
Basic
concepts

What questions
do i have?

Experience/
observe the
process led
by others

How does it feel?

Think & feel
& draw how it
applies to my
context

Practice the
process in
the learning
community

Am I ready?
Who else can i
work with in my
local community?

Implement/
modify in my
community

How did it feel?
Ask for & listen
to feedback.

Get peer
support for
challenges

Share &
celebrate
successes

Share
with larger
network

How can more
people benefit from
the learning
generated from a
learning community?

How can we help more
people move from
hearing about a process
to actually implementing
it in their community?
